

Our Newest Member Benefit:

HEALTH SOLUTIONS

USA Gymnastics is proud to add health solutions to our member benefits portfolio of products. With a range of medical, dental and vision plans, you're sure to find a combination that meets both your healthcare and financial needs.

LIMITED MEDICAL PLANS

Made for our members on a tight budget, limited plans from Vault help keep your family healthy at a fraction of major medical plans. Both plans are guaranteed issue, and there's no qualifying or long-term commitment! Even better, both plans include telemedicine and access to over 200 \$0 copay prescriptions!

INDIVIDUAL INSURANCE PLANS

Generous major medical coverage from nationally recognized carriers and the largest PPOs in the U.S., so you're bound to get in-network care anywhere. Choose from four plans to meet your family's needs.¹

SELF-FUNDED PLANS FOR THE BUSINESS OWNER

Self-employed professionals can establish a health plan for themselves and their dependents through Vault to help control and save on their healthcare spending.¹

BONUS FEATURES

All plans from Vault, from limited plan to self-funded plans, include unlimited behavioral health visits with mental health provider Talkspace. It's mental health care that comes to you!

DENTAL & VISION PLANS

A range of coverages from Delta Dental allows you to think about your oral health needs and plan your coverage accordingly. Plus, terrific vision coverage from VSP will help you keep your eyes at peak performance.

¹ Applicants must answer a medical questionnaire to qualify.
