

USA Gymnastics SAFE SPORT POLICY

SCRIPTS FOR ANNOUNCERS

BREAKING THE SILENCE

- USA Gymnastics supports breaking the silence.
- Athletes are the heart and soul of USA Gymnastics, and their health and well-being are of the highest priority.
- Nothing is more important than protecting athletes, which requires sustained vigilance by everyone – coaches, athletes, parents, administrators and judges.
- Together we can protect our children.
- For more information, go to usagym.org/safesport.

SAFE SPORT REPORTING

- Any adult under the jurisdiction of USA Gymnastics must report sexual misconduct to both the local authorities and the U.S. Center for SafeSport immediately upon becoming aware of such acts. The Center for SafeSport has exclusive jurisdiction to respond to and manage such reports. To make a report to the Center, go to uscenterforsafesport.org/report-a-concern.
- For all other reports of misconduct, go to usagym.i-sight.com/portal.

SAFE SPORT POLICY

- Every athlete has the right to train and compete safely, regardless of whether they are learning a basic skill or representing the United States on the international stage. The USA Gymnastics Safe Sport Policy provides a blueprint to reach that aim.
- The Policy outlines a three-pronged process to ensure the protection of our athletes and members. It mandates reporting by all Adult Participants, defines misconduct, and sets boundaries for interaction between Adult Participants and Minor Athletes through the Prevention Policies.
- For more information, go to usagym.org/safesport.
